

# S. O. A. P. Bible Study Method

- S** Scripture – Read your selected passage for today. Highlight the key verse in the passage. Re-write the key verse in your own words.
- O** Observation – What was interesting about this passage to you? What lessons did you learn? What promises did you observe? What do you feel God was saying to you through this Scripture?
- A** Application – How does this Scripture apply to your life? How could it impact your relationships with God or others? What changes does this passage prompt you to make?
- P** Prayer – Pray this passage. Claim the promises, submit to the lessons, and confess any sins it reveals. Ask God to help you to apply today's passage to your life.
